

CFEEE 2022

2022 International Conference on Frontiers of Energy and Environment Engineering

December 4-6, 2022 | Beihai, China

Overview

2022 International Conference on Frontiers of Energy and Environment Engineering (CFEEE 2022) aims to bring together scholars, managers, researchers and students of Frontiers of Energy and Environment Engineering related areas and industries for intellectual exchanges, research cooperation, education and professional development. CCVPR 2022 will offer keynote speeches and several research topics, for inviting presentations of theoretical research findings and case study in Frontiers of Energy and Environment Engineering and its related fields, and also offers excellent networking opportunities to participants, with a wonderful taste of local culture and scenery in Beihai, China on December 4-6, 2022.

Topics of interest include, but are not limited to:

- Carbon Pricing
- Energy Efficiency
- Energy Equipment
- Energy Markets
- Energy Materials
- Efficient Use of Resources
- Clean Production Process
- Energy Chemical Engineering
- Eco-design and Eco-efficiency
- Advanced Energy Technologies
- Biomass and Bio-based Products
- Energy Security and Clean Use
- Climate Change and Global Warming
- Cultivation and Conservation of Forest
- Ecology and Biodiversity Conservation
- Development and Utilization of Biomass Energy
- Development and Utilization of Solar Energy
- Development and Utilization of Wind Energy

Publication

All the accepted and presented papers will be published in Energy Reports (ISSN: 2352-4847), which will be submitted to SCIE, EI Compendex, Scopus and other databases for review and indexing. The selected papers will be considered for special issues in Journal after significant extension.

Submission

1. Submitted papers should be written in English, including all figures, tables, references, and appendices;
2. Ordinary length limits is 5-14 pages;
3. Manuscript Contents: Title, Introduction, Description, Methods, Tables and Figures, Conclusion, etc.
4. Only original papers will be considered. the manuscripts must not be previously published or accepted for publication elsewhere.

Full Paper Submission: September 20, 2022 Online submission: www.cfeee.org

CALL FOR PAPERS

Keynote Speakers

John D Graham

Paul H O'Neill School of Public and Environmental Affairs, Indiana University, USA

Title: **Designing The Thirty-Minute City**

David Infield

University of Strathclyde, UK

Title: **How can Smart Grids Contribute to Sustainable Energy Supply?**

Advisory Committee

Liliana Celia RUSU

Centre for Marine Technology and Engineering CENTEC, Portugal

Marco Casini

SAPIENZA University of Rome, Italy

Conference Chairs

Hui Liu

Guangxi University, China

Guohe Huang

Beijing Normal University, China
Fellow of the Canadian Academy of Engineering

Farhad Shahnia

Murdoch University, Australia

Program Chairs

Hossam Gaber

Ontario Tech University, Canada

Philip W. T. Pong

New Jersey Institute of Technology, USA

Program Committee

Choong Kok Keong—Universiti Tunku Abdul Rahman, Malaysia

Lim Boon Han—Universiti Teknologi Malaysia, Malaysia

Tan Ming Hui—Universiti Bandar Barat, Malaysia

Tan Chun Hui—Universiti Tunku Abdul Rahman, Malaysia

Eugen Rusu—University of Lisbon, Portugal

Hartmut Hinz—University of Applied Sciences, Germany

Registration

Student	Nonmember
3700 RMB	4100 RMB
2600 RMB	3000 RMB
