

CFEEE 2024

2024 3rd International Conference on Frontiers of
Energy and Environment Engineering

December 12-14, 2024 | Auckland, New Zealand

Overview

2024 3rd International Conference on Frontiers of Energy and Environment Engineering (CFEEE 2024) aims to bring together scholars, managers, researchers and students of Frontiers of Energy and Environment Engineering related areas and industries for intellectual exchanges, research cooperation, education and professional development. CFEEE 2024 will offer keynote speeches and several research topics, for inviting presentations of theoretical research findings and case study in Frontiers of Energy and Environment Engineering and its related fields, and also offers excellent networking opportunities to participants, with a wonderful taste of local culture and scenery in Auckland, New Zealand on December 12-14, 2024.

Topics of interest include, but are not limited to:

- Carbon Pricing
- Energy Efficiency
- Energy Equipment
- Energy Markets
- Energy Materials
- Efficient Use of Resources
- Clean Production Process
- Energy Chemical Engineering
- Eco-design and Eco-efficiency
- Advanced Energy Technologies
- Biomass and Bio-based Products
- Energy Security and Clean Use
- Climate Change and Global Warming
- Cultivation and Conservation of Forest
- Development and Utilization of Biomass Energy
- Ecology and Biodiversity Conservation
- Development and Utilization of Solar Energy
- Development and Utilization of Wind Energy

Publication

All accepted and presented papers will be published in the digital conference proceeding, which will send to be reviewed and indexed by major citation databases such as Ei Compendex, Scopus, CPCI, Google Scholar etc.

Submission

- Submitted papers should be written in English, including all figures, tables, references, and appendices;
- Manuscript Contents: Title, Introduction, Description, Methods, Tables and Figures, Conclusion, etc.
- Only original papers will be considered. the manuscripts must not be previously published or accepted for publication elsewhere.

Full Paper Submission: July 31, 2024

Online submission: [Click here](#)

CALL FOR PAPERS

Previous Speakers

Pierluigi Siano

Department of Management & Innovation Systems, University of Salerno

S.N. Singh

Indian Institute of Information Technology and Management, India

Yu Cui

Hainan International Carbon Trading Center, China

General Chairs

Fushuan Wen

Zhejiang University, China

Jizhong Zhu

South China University of Technology, UK

Conference Chairs

Donglian Qi

Zhejiang University, China

Zhenzhi Lin

Zhejiang University, China

Farhad Shahnia

Murdoch University, Australia *Fellow member of Engineers Australia*

Can Wan

Zhejiang University, China

Program Chairs

Philip W. T. Pong

New Jersey Institute of Technology, USA

Hossam Gaber

Ontario Tech University, Canada

Publication Chairs

Chunyu Zhang

Taizhou University, China

Yan Xu

Nanyang Technological University, Singapore

Qin Wang

Electric Power Research Institute, China

Award Chairs

Yun Liu

University of Science and Technology of China, China

Weiye Zheng

China University of Technology, China

Session Chairs

Ping He

Zhengzhou University of Light Industry, China

Jiajia Yang

James Cook University, Australia

Lei Xi

China Three Gorges University, China

Local Chairs

Yanmin Li

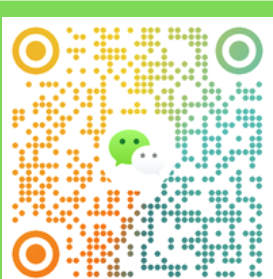

Sanya Zongheng Institute, China

Yulin Chen

Hainan Institute of Zhejiang University, China

Xianbo Wang

Hainan Institute of Zhejiang University, China
