July 4-6, 2025 | Shanghai, China

2025 4th International Conference on Frontiers of Energy and Environment Engineering

Organized by:  上海交通大学
SHANGHAI JIAO TONG UNIVERSITY

Co-organized by:  三亚纵横能源研究院
Sanya Global Energy Research Institute

Overview

2025 4th International Conference on Frontiers of Energy and Environment Engineering (CFEEE 2025) is organized by Shanghai Jiao Tong University, China, and Co-organized by Sanya Global Energy Research Institute, China. CFEEE 2025 will offer keynote speeches and several research topics, for inviting presentations of theoretical research findings and case study in Frontiers of Energy and Environment Engineering and its related fields, and also offers excellent networking opportunities to participants, with a wonderful taste of local culture and scenery in Shanghai, China on July 4-6, 2025.

Publication

All accepted and presented papers will be included in CFEEE 2025 conference proceedings, which will be submitted to major databases such as EI Compendex and Scopus etc. for indexing.

Call for Papers

Topics of interest for submission include, but are not limited to:

- Advanced Energy Technologies
- Building Energy-Saving Applications
- Carbon Pricing
- Carbon Peak and Carbon Neutrality
- Environmental Chemistry and Biology
- Environmental Engineering
- Environmental Impact Assessment
- Environmental Materials
- Hydrogen and Fuel Cell
- Power System Optimization
- Power System Scheduling
- Power System Stability
- Power System Control
- Renewable Energy Grid
