

# CFEEE 2025 May 22-24, 2026 Shanghai, China

## 2026年第五届能源与环境工程国际会议

2026 5th International Conference on Frontiers of Energy and Environment Engineering

It is our great honor to invite you to the 2026 5th International Conference on Frontiers of Energy and Environment Engineering (CFEEE 2026) is organized by Shanghai University of Electric Power, which will be held in Shanghai, China during May 22-24, 2026. This will be an energetic, stimulating and informative event, convening scientists, researchers, experts and delegates from the energy and environment engineering area. Being part of it, you will have opportunities to meet colleagues and friends, learn and share experiences.

Our organizers do their best to ensure an exciting conference program to create an enjoyable memory for all participants.

The conference program lasts for three days. It will feature excellent international invited speakers, and oral and poster presentations, covering subject areas across the spectrum of energy and environment engineering in plenary and parallel session formats.

We look forward to welcoming and meeting you!

### **Conference Scope**

Please visit www.cfeee.org/cs to learn more.

- Advanced Energy Technologies
- Building Energy-Saving Applications
- Carbon Peak and Carbon Neutrality
- Development and Utilization of Solar Energy
- Development and Utilization of Wind Energy
- Environmental Chemistry and Biology
- Environmental Engineering
- Environmental Impact Assessment
- Energy-Saving Technology
- Energy Security and Clean Use
- Hydrogen and Fuel Cell
- Power System Optimization
- Power System Modelling
- Power System Scheduling Power System Stability
- Power System Simulation
- Power System Control
- Renewable Energy Grid

### **Publication**

All accepted and presented papers will be included in CFEEE 2026 conference proceedings, which will be submitted to major databases such as EI Compendex, Scopus, etc. for indexing.

Accepted and selected papers can be recommended to publish in the following journal: "International Journal of Vehicle Systems Modelling and Testing (ISSN: 1745-6444)"

### **Key Dates**

Abstract Submission Deadline: November 1, 2025 Full Paper Submission Deadline: November 15, 2025 Author Notification Deadline: December 30, 2025 Registration Deadline: January 29, 2026 Camera-ready Submission Deadline: January 29, 2026 Main Conference: May 22-24, 2026

### **Organizer**

### **Organizing Committee**

### **Steering Committee**

#### **Nengling Tai**

Shanghai Jiao Tong University, China

#### **Conference Chairs**

#### Jing Ma

Shanghai University of Electric Power, China

### **Tracks**

**Track I -** The Application of Renewable Energy and Carbon Reduction Technologies in Achieving Carbon Neutrality Goal

**Track III -** Digital and Intelligent Transformation of Electric Power **Energy & Smart Grid** 

Track V - Fault Analysis and Protection of Modern Power Systems with High Penetration of Renewables

Track VII - Digital and Intelligent Transformation of Electric Power **Energy & Smart Grid** 

Track IX - Optimal Control and Operation of Renewable Energy Power Station

Track XI - Power Grid Planning and Operation Optimization Driven by Digital and Intelligent Technologies

#### **Fushuan Wen**

Zhejiang University, China

#### **Wentao Huang**

Shanghai Jiao Tong University, China

Track II - Key Technologies for Frequency Security Stability in New Power Systems

**Track** IV Energy-**Transportation Nexus** 

Track VI - Innovative Gridforming Technology and Its **Applications** 

Track VIII - New Energy Storage Technology for Supporting Safe, Efficient, and Clean Operation of Power System

Track X - High Efficiency **Electrical Machines System** 

Track XII - New Energy Materials and Technology

### **Submission Guidelines**

- 1. Manuscripts submitted to the conference should be written in English only.
- 2. Manuscripts submitted to the conference should follow the template provided.
- 3. Manuscripts can be submitted in Doc, Docx and PDF format.
- 4. Oral or Poster presentations should be nominated while submitting an abstract.
- 5. The ordinary length is suggested no less than 5 pages, including all figures, tables, references, and appendices. If the paper exceeds 5 pages, the additional pages will be charged at the time of registration.

Please visit www.cfeee.org/sub to download paper template.
